Mr. Donald R. Gattook
Assistant Commissioner for
Enforcement
Room 658
119 *D* Street, N. E.
Washington 25, D. C.

Dear Mr. Gattook:

It has come to my attention that members of your Service have been credited with outstanding performance cooperating with our Agency in support of certain sensitive operations involving, among other things, movement of personnel in and out of the United States, and in connection therewith protecting security interests.

The employees mentioned on the attached list were cited particularly as recognizing the significance of the operation, applying their professional knowledge and authority, and giving liberally of their time in accomplishing the requirement. Without their wholehearted cooperation this phase of the program could not have been completed.

These personnel deserve recognition for this excellent performance and you may wish to have this reflected in their record without indicating association with this Agency.

I would like to extend to you my sincere appreciation for this cooperation.

Sincerely,
